

ATTENTION STAGE 5 GEOGRAPHY TEACHERS!

SURVIVE THE ELEMENTS FOR YOUR CHANCE TO WIN GREAT PRIZES!

Supports Stage 5 Geography Focus Area 5A1:
Investigating Australia's Physical Environments & ICT.

» How to enter:

1. Book a joint excursion to see *AUSTRALIA: LAND BEYOND TIME* at IMAX to learn about the unique nature of Australia's landscapes, climate and wildlife. Then follow with a visit to *Sydney Wildlife World* to see Australian native flora & fauna up close, in their natural habitats.
2. Complete the ICT Project "Surviving the Elements" and email the finished Projects to us here at IMAX. (ICT Project information is mailed with every excursion booking, or may be downloaded from www.imax.com.au/resources)
3. Prizes will be awarded for the best ICT Projects at the end of Term 2, 2008.

» Winning entry:

First prize will be awarded to the ICT Project that is well-presented, informative, shows good use of ICT criteria and is easy to read. GOOD LUCK!

The winning student will receive a *DARLING HARBOUR PRIZE PACK* featuring family passes to IMAX, Sydney Wildlife World and the Powerhouse Museum. There'll also be free popcorn and softdrinks for the family at IMAX! And ... being an ICT Project Prize – the winning student and 1 member of their family will also receive a PRIVATE VISIT TO THE IMAX PROJECTION BOOTH.

» Winning school:

A free class visit to IMAX and Sydney Wildlife World for up to 60 students.
