## Team Building, Incentives & Training

**For your next corporate training, team building or motivational experience, why not consider the potential of IMAX to bring out the best in your team? IMAX offers a range of films with inspirational messages well-suited to the corporate market. With the World's Largest Cinema Screen and a luxurious theatre auditorium, IMAX will ensure that your next event is unique and truly memorable.**

### GROUP FILMS SCREENINGS

If your group is small, take advantage of our great rates and simply make a group booking (min 10 people). Please note that group bookings must choose from our advertised range of public film sessions (ie. a non-exclusive screening).

**Group Tickets**           \$15.00 per person (min 10) (from 25 Sept 2008)  
**Candy Bar Combo:**   \$7.00 per person (popcorn or choc-top + softdrink or water)

### EXCLUSIVE THEATRE HIRE

If your group is large, then hire the entire IMAX auditorium for a private screening of a film of your choice from our entire catalogue of releases. Prices start from \$3000 for the first hour (\$1980 for subsequent hours). This is ideal if your group is approximately 100+ in size. Maximum Theatre capacity: 500 people.

If you like, make use of our lectern and microphone at no extra cost to add a short (5min max.) welcome to your audience before the start of the film screening. Or hire the Theatre for another hour to make a longer, more detailed training or staff/ client presentation using our data projector (Powerpoint™ and DVD screenings are possible in addition to/ or in place of the IMAX film screening).

Private catering served on our Mezzanine Bar foyer is available as required.

#### • Leadership Training

Ask us about our excellent inspirational film Shackleton's Antarctic Adventure and how it can be used within a leadership training context. To support corporate screenings of this film, a Powerpoint™ presentation, focusing on leadership training, is available for use in the workplace (or theatre) at no additional cost.

### IMAX BULK TICKETS

Available in books of 10 tickets, IMAX Bulk Tickets are an ideal way to say thank you to hard working staff or reward a sales team. Tickets are valid for 12 months and may be used individually as required. They're also brilliant for Social Clubs!
